

## LifeRing Meetings Can Change Your Life

It's all up to you – in LifeRing, we don't tell you what you 'should' do. Instead we offer you the support and information you need to make the changes that you want. You're surrounded by people like you, addicted and unhappy about it.

You first realize that you're not alone, and then your struck by how much can be learned from people just like you; and how much others can learn from you.

There's a special kind of magic that can happen at LifeRing meetings. The support that is shared almost literally lifts a bit of the burden that weighs you down. Without even being aware of it, change begins. You're always in control, but you are able to relax among friends that understand you.

**LifeRing Secular Recovery** is an abstinence-based, worldwide network of individuals seeking to live in recovery from addiction to alcohol or to other non-medically indicated drugs.

In LifeRing, we offer each other peer-to-peer support in ways that encourage personal growth and continued learning through personal empowerment.

Our approach is based on developing, refining, and sharing our own personal strategies for continued abstinence and crafting a rewarding life in recovery. In short, we are sober, secular, and self-directed.

There are as many ways to live free of drugs and alcohol as there are stories of successful sober people.

LifeRing respectfully embraces what works for each individual.

## Meetings in San Francisco, San Mateo, and Santa Clara Counties

- **LifeRing meetings are friendly, informal and confidential.**
  - **We sit in a circle, face to face, and we meet as equals.**
  - **Readings take just a minute, because LifeRing focuses right away on the experiences of our members and the strength of sober conversation.**
  - **Each person in the circle is asked "How Was Your Week?" and may talk about sober life in the week just past and the week to come.**
  - **We end with a round of applause for our shared success in sobriety.**
- 

LifeRing urges you to consider reading our two bestsellers:  
Empowering Your Sober Self  
and
